Quotes from Teachers

"So many resources to support teachers!"

"Since being a part of the Teacher Leader Program I have gained confidence in my personal abilities. I have assisted with teaching PD's, building PD's, became a Teacher Leader within IMPACTS, also working within my district on curriculum and other recent or future endeavors."

"I was beginning to wonder if I wanted to continue teaching before [entering the Teacher Leader program]. Now I feel like I am making a big difference for my students and colleagues."

"TREC is so directly involved with making sure that the positive lens is always used when we're talking about educators and education in general."

"I feel more confident about being in a leadership position and that I have the skills to support and uplift others around me."
