Teacher Testimonials

On TREC's Partnered-PDs for Early Childhood: Lesson plans were provided with standards, books, supplies to implement into my classroom. I like how we were able to try the activities first. Trial and error. This was one of the best PD that I have attended. Extremely grateful!

On the TREC Teacher Leader Program: I am grateful for the opportunity to have been a member of TREC's Teacher Leader Cohort 5. It was validating to be among educators that share my passion for excellence and serving our students in the best way possible.

On working with TREC: Fantastic learning experience...I was so inspired!!
